

**41 Houston Street Quarry Hill VIC**

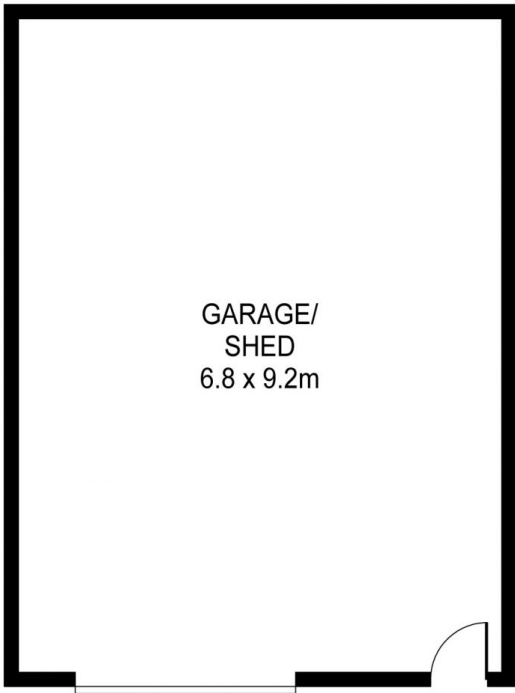

3 1 2

Posing a little bit of something different, this solid 1940's family home is full of quirky personality resting in highly desirable Quarry Hill. Unique in its design, the adaptable layout comprises 3 generous bedrooms with the option to use one as a 2nd living for those after extra living space, family bathroom and laundry. A spacious country style kitchen/meals area adjoins the living room where the paved outdoor entertaining and intimate timber deck blends through French doors to indoor living, making for an incredible centrepiece to gather family and friends. Some of the homes distinctive features are the beautiful timber and slate floors, hard-wearing walls, high ceilings plus decorative cornices and intricate ceiling roses. Year-round comfort is taken care of with ambient gas log fire, wall furnace and split system heating plus evaporative and split system cooling. The sprawling outdoors allows kids and pets the space and freedom to play, with more than enough
